Financial support

LIBTAYO Surround offers patient support that facilitates access to medication when eligible patients need assistance with out-of-pocket costs. LIBTAYO Surround will help investigate your patients' eligibility for the following programs:

LIBTAYO Surround Commercial Copay Program

There is no income requirement to qualify for this program

LIBTAYO Surround Patient Assistance Program

Patients who are uninsured, underinsured, or lack coverage may be eligible to receive LIBTAYO at no cost.[‡] Patient eligibility criteria, including household income limits, and program conditions apply. LIBTAYO Surround can help evaluate patients' eligibility for assistance.

Access and reimbursement support

LIBTAYO Surround provides access and reimbursement support to help your patients get access to their prescribed LIBTAYO as guickly as possible. Upon receipt of a LIBTAYO Surround Enrollment Form, a LIBTAYO Surround Reimbursement Specialist may be able to provide several types of assistance.

TE)

Benefits investigation, which addresses:

- · How LIBTAYO will be covered under your patient's health plan
- Additional coverage information to facilitate your patient's access to LIBTAYO
- Acquisition options (buy-and-bill or specialty pharmacy)
- A patient's eligibility for financial assistance

Commercially insured patients may be eligible to pay as little as \$0 out of pocket for LIBTAYO, up to \$25,000 in assistance per year, which includes copay, coinsurance, and deductibles for LIBTAYO product and administration charges. Please see eligibility criteria and full terms and conditions.[†]

- Appeal assistance if PA is denied
- Claims assistance to address guestions as you prepare claims and to review the status of claims with your patient's health insurer
- Product support in connection with product ordering

Additional LIBTAYO Surround support

Once patients are prescribed LIBTAYO, they have access to our dedicated Patient Navigators. Patient Navigators are available to complement the support provided by patients' healthcare providers. They can:

Help identify financial assistance that may be available to eligible patients to facilitate access to LIBTAYO

Provide information about:

- Local support groups within the community
- Independent, third-party transportation services
- Local places to stay during treatment, if needed

Offer additional support for caregivers while they care for their loved ones

Answer questions about available resources and support

• Medical advice will not be provided by the Patient Navigators. A patient's healthcare provider is the single best source of information regarding their health

Remind patients about upcoming appointments

Send patients:

- A Patient Starter Kit with helpful materials for starting treatment with LIBTAYO
- Emails and direct mail to help support both patients and caregivers and educate them with information about their condition and treatment

You can access an array of patient support services through LIBTAYO Surround
